If your organization applied for FCC COVID telehealth funding but did not receive it, we would like to ask a small favor – would you please complete the attached form, and send it to Susan Hansen at shansen@nachc.org by this Friday 7/17? It should only take a couple minutes, and it will help us “make the case” for additional funding for the FCC COVID telehealth grant program. https://app.noddlepod.com/groups/1733/download_attachment/15056
